1. The first and most important thing to do is to make sure you are in the right place at the right time. This means knowing where you are going and when you are going. It also means making sure you have everything you need with you.

Aug. 19

With this, the great work was done and the ship left the harbor with the old ship in tow. The ship was now in the hands of the new owners and the old ship was to be sold.
